Subject: RE: IMPORTANT !! Response Required

Hi Lori,

As information, the Buffalo ROU has ordered Winston POS for all Territories in the Region. We did have one order that was combined, terr #'s 162225 & 162228. Therefore, it would appear that we were short one order.....In the future, we will not allow combined orders thereby eliminating any confusion. Please let me know if questions.

Lori / #1610
